Country Meat Products Ltd.

Pork Ribs

Product Description

Although not as meaty as baby-back ribs, our pork ribs (spare ribs) are very tasty, thanks to a generous amount of fat. Large and irregularly shaped, they come from a pig's underbelly or lower rib cage (also the source of bacon). A full rack has at least 11 ribs and weighs 3 to 4 pounds

Pork Steak

Product Description

Pork Steak, sometimes referred to as a Boston Butt or pork blade steak, are steaks cut from the shoulder of the pig. Shoulder steaks are cut from the same primal cut of meat most commonly used for pulled pork. Pork steaks are often cooked slower than a typical beefsteak, and are often stewed or simmered in barbecue sauce during cooking.
